Discuss Centennial Events at Meeting

A good crowd was present in the Centennial Civic Centre last Wednesday to hear and discuss plans for Centennial celebrations in the area later this year. The town was well represented, but unfortunately, attendance from district points fell far short of the committee's expectations.

Centennial Officer, Bud Salloum and Alberta Canoe Commodore John Nickle, both of Edmonton, were present to address the gathering and show films and slides. Mr. Salloum covered the Centennial picture generally and Mr. Nickle outlined details of the Canoe Pageant.

The meeting, chaired by Mayor Howard Pickup, also heard brief talks by Brian Gooding on the cultural and entertainment aspects of Centennial; Jack Bright on the visit of the Centennial Caravan in July; and Claude Albert discussed the student exchange, also to take place this summer.

CANOE PAGEANT

Mr. Nickle traced the route of the canoe race and described the work of the crews and conditions they have already experienced in practice runs. Crew members are already in training and will be out on the water as soon as the ice leaves in the spring.

He answered a number of questions from the floor on the big event that will take place here on May 25th. A number of attractions are planned for that day with members of the canoe crews from across the country taking part.

A letter has been sent to Prime Minister Pearson asking that he officially open the new Centennial Civic Centre on May 25th, but no word has yet been received from Ottawa.

FESTIVAL CANADA

Mr. Gooding outlined the events of Festival Canada and noted that three big shows, featuring top-flight entertainers would play here on three occasions during the year. First of these will be the Folk Art Theatre on May 12th followed by two more vaudeville and opera shows in the fall.

The Centennial Committee, he said, hopes to obtain sponsorship of the shows by local organizations. The shows, although they feature well-known performers, will be presented at a minimum cost to enable as many people as possible to attend.

Mr. Gooding also stated that a Centennial Queen would be elected in conjunction with the annual Ice Carnival to be held in April this year. The Queen will take part in Centennial events throughout the balance of the year.

EXCHANGE VISIT

Commenting on the Student Exchange Program, Mr. Albert stated that 24 students from this area would spend a three week visit in Montreal and our community would host a group of 24 young people from Sidney, Nova Scotia.

Students taking part in the exchange, who must be in the 15 to 18 year age category will be selected on the basis of a number of qualifications by adults in the communities involved, rather than by any competetive process.

In order to cover all young people in the age group in the general area, high schools from which they will be selected are Drayton Valley, Breton Seba Beach and Stony Plain.

Each group is made up of twelve boys and twelve girls with two chaperones. Names of students taking part will be known by March 15th while

CARAVAN VISIT DISCUSSED AT CENTENNIAL MEETING

C.O.C. Meeting Thursday

Regular monthly meeting of the Drayton Valley and District Chamber of Commerce will be held in the Council Chamber at 8:00 p.m. on Thursday, February 2nd.

A representative of Northern Alberta Dairy Pool will be present to address the meeting.

All members and prospective members, are asked to attend if possible.

Arrangements Complete for ARDA Visit

Arrangements have been completed for a meeting here on February 20th to be addressed by representatives of ARDA.

The supper meeting will be held at the Cardium Room at 6:30 p.m. Tickets will be available at the end of this week at a cost of $2.00 each.

Guest speakers will be Mr. Gordon Sterling, ARDA Director for Alberta and Mr. E.B. Nagle, Liason and Public Relations for ARDA.

Wally Peters, chairman of the Chamber of Commerce's program committee has expressed the hope that residents of district points will take this opportunity of hearing about the work of ARDA. The only other points in this area where the program will be held are Hinton and Whitecourt.

World Day of Prayer To be Held February 10

The annual World Day of Prayer will be held on Friday, February 10th at 8:00 p.m. in St. Anthony's Church with women from six churches participating in the service.

The late Queen Salote of the Tonga Islands was the author of the World Day of Prayer service for 1967 using the theme, "Of His Kingdom There Shall Be No End."

Queen Salote ruled her independent kingdom for 47 years. She was born on March 13th, 1900, was enthroned on April 5th, 1917, and died in Auckland, New Zealand of diabetes and cancer on December 16, 1965.

The first observance of the World Day of Prayer each year is held in Tonga and the Queen always led her people in the observance.

The World Day of Prayer is an event of great importance to Christian women in over one hundred and fifty countries of the world who participate together in this special occasion.

It is an appropriate circumstance that the committee arranging this year's World Day of Prayer chose to use the order of worship prepared by Queen Salote who was no mere nominal Christian but a dedicated woman with a strong belief in the power of prayer.

The late Queen Salote of the Tonga Islands.

DR. KREYCIK

Veterinarian To Establish Practice Here

Dr. and Mrs. D.L. Kreycik and family, formerly of North Platte, Nebraska, arrived in Drayton Valley last Thursday to make their home in this community.

Dr. Kreycik, a veterinarian, will establish a practice here and expects to be ready to start within a few days.

The Kreyciks have a family of three children, Christine, 20, Melvin, 15 and Elizabeth (E'bet), 3. They have purchased the house recently vacated by Mr. and Mrs. Alex Zubot on 45th Avenue.

KEN LANDERS NEW PRESIDENT

F.G.A. Elects New Officers

New officers were elected at the annual meeting of the Pembina Oilfield Fish and Game Association held last Thursday evening.

Heading the list of officers is new president Ken Landers, Marv Grue is vice-president and George Hart, Secretary-Treasurer. Committee Chairmen are: Don Booker, membership; Ron Pruden, upland game; Les Gamblin, big game; Mike Karach, fish; and Mrs. G. Hart, good and welfare.

A feature of the evening was presentation of trophies for game animals and fish. Winners were: Elk, Mike Daviduk, trophy sponsored by Howard Jevne; Moose, Lorne Lambert, trophy by Pete Bureyko; Whitetail deer, John Desjardines, Derrick Supply trophy; Mule deer, no entries; Trout, 6 lbs. 2 oz., Phil Vatter, Al's Sports Shop Trophy; Grayling, 1 lb. 10 oz. Sigmund Sowada, Ken James Trophy; Pike, 4 lbs. 6 1/4 ozs., Mike Daviduk, Solo Store Trophy; Pickerel, 4 lbs. 1 oz., Roger Nelson, Mayhew Motors Trophy.

The executive of the club extended thanks to donors of trophies who made the competition possible. It is hoped the competition will be carried on again this year.

Retiring president, Marvin Grue also extended his thanks to the executive and members for help on projects during 1966. He urged all members to support the new officers in 1967 plans to maintain a "strong conservation club in Drayton Valley to protect our wildlife heritage for future generations."

Memberships are now available for 1967. Fees are $3.00 for individuals and $5.00 for associate members which could include a man and wife or children. Membership fee also qualifies you for for insurance and the wild life publication.

Store to Open Thursday

Official opening of the new Block's Store will be held at 10:00 a.m. on Thursday, February 2nd.

Mr. H. Hamdon, owner of the store, stated that good progress was being made in moving stock into the building for the opening this weekend.

The store has about 5600 square feet of space. The old store will be removed and the front of the new store used for parking he said.

Centennial Meeting

Continued from Page 1

escorts must be known by February 15th.

Planning for the student exchange program is being guided by a steering committee made up of Claude Albert, Dick Humphreys, Jim O'Rieux, Vern Jones and Richard Woods.

CARAVAN VISIT

The Centennial Caravan visit was covered by Mr. Jack Bright who outlined plans for the three days, July 2nd, 3rd and 4th when the caravan will be set up in Drayton Valley.

A major feature of the Caravan visit is its stage which will be occupied by performers from throughout the area during its stay here. Much work is required to prepare for this facet of the event which is being attended to by Jack O'Rourke.

Mr. Bright noted that about 500 persons could pass through the caravan trailers in an hour and scheduling will be set up to ensure that everyone, particularly school children, are given the opportunity to see this display of Canadian history.

Following brief outlines by the Chairmen of the major events the meeting broke up into discussion groups with those present entering the planning wherever their interests lay.

INTERVALS--What some people work at.

Plan Meeting to Form Bull Sale Association

A meeting to form a Drayton Valley and District Bull Sale Association will be held at 8:00 p.m. on Wednesday, February 8th. The meeting will be held at Sekura Auctions, located half a mile south of the Drayton Valley traffic lights.

The meeting is being called for the purpose of setting up a board of directors and officers to sponsor a government approved bull sale which will qualify for government cattle improvement policy B.

Anyone raising purebred cattle or interested in selling bulls through this sale should make definite plans to attend.

Bonuses under this policy will be paid only on bulls of Hereford, Shorthorn, Aberdeen Angus, Galloway, or Charolais breding.

The sale is planned for sometime in March. For further information contact Sekura Auctions or phone 542-4337.

Notice to OORP Curlers

Ladies of the Order of the Royal Purple wishing to curl in the District Bonspiel at Warburg on February 24th and 25th are asked to phone Bertha Simon at 542-3773 or Doreen Harrison at 542-3474. You are urged to contact either of these two ladies as soon as possible.

F.U.A. Meeting

Regular monthly meeting of the Drayton Valley F.U.A. local will be held in the Town Hall on Wednesday, February 8th at 8:30 p.m.

F.G.A. Shown Fishing Film

At the regular meeting of the Pembina Oilfield Fish and Game Association held Thursday, members were treated to some excellent films on fishing in Great Slave Lake. The films were made by Bob Cowan, who showed them Thursday.

The FGA expressed thanks to Mr. Cowan and also to Pembina Drug for the loan of an 8mm projector.

Choralaires on Television Friday

The Choralaires will make their TV debut on Channel 3TV Telestars program at 6:00 p.m. Friday, February 10th. The group was taped on January 26th for this program.

On Thursday, February 9th the choral group will make a second tape for the Telestars show, as yet date of release is unknown.

It's better to give than to receive--and its deductible.

Zone Winners

Ray Croy of Stony Plain skipped his rink through the zone 16 playoffs held at the Drayton Valley curling club over the past weekend. Thirteen rinks representing towns from Jasper west to Spruce Grove on the east played in the modified double knockout draw. Pictured above are the Stony Plain rink from right to left are Ray Croy, Gerald Kulak, Otto Shuster and Jake Zutz. The rink will represent zone 16 in Edmonton later on this month for the Northern Alberta Championship.

Public Invited to Special Program Next Monday

Residents are reminded of the special educational program sponsored by the C.W.L. to be held in the auditorium of St. Anthony's School on Monday, February 6th at 8:30 p.m.

Dr. Ringrose of Edmonton will discuss human reproduction and related aspects. The subject matter will be directed to teen-agers as well as adults. Excellent slides illustrate the topic.

Dr. Ringrose is coming here because he feels there is a need for an educational program of this type in the community. It is hoped that a large number of residents will attend this important meeting.

Nominations Sought

Calgary Power Limited has again launched its annual Junior Citizen of the Year program and we again remind residents of The Western Review circulation area to keep the awards in mind and make sure that no deserving young person of this area is overlooked.

Young Albertans have won awards in the past for acts of heroism, acts of quiet courage and various contributions to community life beyond those normally expected of young people. Any act qualifies that makes a young person stand out in the eyes of his or her fellow citizens.

We have many, many fine young people in our area and one of them could be a winner. It takes only a note or call from you to get the nomination of an outstanding junior citizen underway. Contact the editor of The Western Review--he would be happy to assist in gaining recognition for the candidate you consider worthy of the honor.

White Cane Week

Next week, February 5th to 11th, is White Cane Week and the Canadian Council of the Blind and the Canadian Vocational Institute for the blind ask you to help continue the progress being made in teaching the blind and enabling them to become useful members of society.

Advanced teaching methods now make it possible for young blind people to earn a living and assure an independent place in society. The blind are no longer required to suffer in darkness and poverty--new rehabilitation programs make it possible for young and old alike to live much fuller lives.

The understanding and help of those who have their sight is sought during Centennial White Cane Week to further the tremendous progress of recent years.

CANADIAN AGRICULTURE HAD BIG YEAR IN 1966

OTTAWA--A big year on all fronts. That's how Canadian agriculture will look back on 1966.

On the marketing front, continued strong wheat exports spurred farmers to grow 840 million bushels--the largest crop ever harvested in Canada.

On the income front, another record was toppled as farm cash receipts broke the 4 billion dollar mark for the first time.

On the legislative front, establishment of the Canadian Diary Commission and amendments to the Crop Insurance Act will go down as important milestones in agricultural history.

The year began on an international note. At the United Nations in New York in January, Agriculture Minister J.J. Greene was elected chairman of the UN/FAC World Food Program Pledging Conference. As Canada's share for the ensuing three years, the Minister formally pledged $30,-000,000 -- the largest contribution this country has ever made.

A lot of attention was focused on the dairy industry in 1966. It all started back in March, when a new federal dairy policy aimed at raising producer income, stabilizing the industry, and protecting consumers against run-away prices was unveiled.

Canada's sheep producers learned in March of a 16.3 cents-per-pound deficiency payment for wool, and 24,000 of them received payments from the federal treasury totaling $655,000.

On March 30, a new price support program for eggs was brought in. Reflecting the trend towards larger laying flocks, the program provided price support for a larger number of eggs marketed by the producer.

In the field of research, the discovery and development of a new broad-spectrum antibiotic by a team of CDA scientists excited the world when the announcement was made in April. The new antibiotic, called Myxin, promised to be a major weapon against disease and was hailed as a major scientific break-through. The men responsible were Drs. F. D. Cook, E.A. Peterson, and D.C. Gillespie.

A program that takes its place as a "first" in agricultural circles--the importation of cattle from Europe--was climaxed in May when 109 Charolais were released from CDA's maximum security quarantine station on Grosse Ile, Quebec. These were the first French cattle to come to Canada in this century. A further importation of 215 Charolais and one Simmenthal is now in quarantine and undergoing rigid tests on Grosse Isle.

The dilemma of rising costs of farm machinery and repair parts came under close scrutiny and on May 27th, Clarence Lyle Barber, head of the University of Manitoba's Economics Department, was appointed a one-man commission to inquire into the matter.

To offer farmers from coast to coast greater protection against the vagaries of weather, Parliament in early summer broadened the scope

GRAND OPENING

TO OUR CUSTOMERS:

We have outgrown our old store, which no doubt did more business per square foot of store space than any other grocery store in Alberta. We thank all our customers for their faithful patronage.

With regard to our new store, our price policy will remain the same. It will NOT operate under the usual "supermarket" policy. We will eliminate high overhead cost, excessive staff and all the glamour and glitter usually found in large chain operations.

Our new building is built with these purposes in mind, to cut down handling costs, increase the variety of merchandise, and enables us to purchase merchandise in even larger quantities, which will mean a better price to our customers.

We look forward to serving the people in Drayton Valley and drawing people from an ever greater area.

Round Table Discussion Of Zone 7 Problems

Representatives from the area comprising Zone 7 of the grouping of the tourist areas in Alberta spent the afternoon of Wednesday, January 28th, the supper hour and part of the evening tossing common problems back and forth and listening to guest speakers.

Cards were laid on the table during this meeting with such areas as Hinton questioning how they could have anything in common with the eastern section. "The answer from the eastern section--Drayton Valley, Devon, etc--was that Hinton should have as much in common with them as they have with Hinton).

Discussion of common tourist promotion, brochures vs other types of publicity and action on requests for connecting highways filled the time.

In this connection Whitecourt is seeking backing for a request for a paved connection to Highway 16 at Peers or Edson. Drayton Valley countered with one connecting Highway 43 (the Whitecourt line) through Entwistle or Evansburg to Drayton. Priorities in presenting these requests to the Department of Highways were discussed.

Guest speakers during the evening were Reg Clark, Secretary-Manager of the Alberta Chamber of Commerce and Bert Nagle, newly-appointed liason officer for ARDA from Edmonton.

Attending from Drayton Valley were Barney McGlone, Harry Zolmer, Jack Bright, Bob Mayhew and Red Fuhr.

Canadian Agriculture

Continued from Page 3

of the Crop Insurance Act. This Act allows the federal government to enter into crop insurance agreements with the province.

An important turning point in Canada's determined fight against animal disease came in September. On a farm Montmagny, Quebec, Mr. Greene turned veterinarian briefly to take a blood sample from a cow to mark completion of the initial testing of the nation's cattle herds for brucellosis. Now only the Scandinavian countries exceed Canada in freedom from brucellosis.

Training its sights on another problem area, the government announced in September that in future livestock owners would receive compensation for losses suffered through the disease anthrax.

An important chapter in Canadian agriculture was written in October, when the Act establishing the new Canadian Dairy Commission was proclaimed. Apart from the Canadian Wheat Board, it marks the first entry of the federal government into a national marketing agency for agricultural products.

The Commission will be responsible for stabilizing the price of manufacturing milk and cream to provide efficient producers with a fair return for their milk and to assure consumers of an adequate supply of dairy products. It will administer federal government support funds and determine a basis of payments for the benefit of milk and cream producers.

For grain growers, the announcement in December of two new oat varieties, Sioux and Kelsey, was significant. The new oats have considerable resistance to disease and are higher yielding than standard varieties.

On December 2, the Agricultural Stabilization Board announced a deficiency payment of $6.38 per standard ton of sugar beets marketed by growers during the 1965 crop year. A few days later, it was announced that the Board would also make an interim deficiency payment of $6.38 per standard ton of sugar beets marketed by growers during the 1965 crop year. A few days later, it was announced that the Board would also make an interim deficiency payment of $3.00 per ton on the 1966 sugar beet crop.

Mr. Greene, taking a glance back at 1966 and looking into the upcoming year, concluded:

"With the demand outlook promising for 1967, Canada's Agricultural Community can look forward hopefully to Centennial year. Of course there will, as ever, be problems. The continuing pressure for efficiency, the need to continue to work towards higher farm income, the very grave problem of world food needs, will all pose great challenges to the farmers of Canada and those working in their interest in 1967."

DISTRICT NEWS

EVANSBURG

Mrs. M. Bruner, Correspondent

We certainly haven't seen much of Alberta's sunshine in the past week and the temperature drop reminded us that winter still has some time to go.

Along with many of the people in the district, this reporter has had a bout with the flu that has been going around. Have also had two of the boys home from school with the flu for most of the week.

Flu also struck the plans made by the Scouts for last week. They were supposed to have gone to Cynthia but illness prevented them making the trip. Their campout was also postponed until the weather man could predict more favorable weather. The District Council held their first meeting of the year last week. Among the many things discussed was the fact that Wildwood plans to start a Scout troop again. We wish them luck in the venture.

A Centennial planning meeting was held in the school gymnasium. It was nice to see people from Fallis there but disappointing that people from more towns did not show up. Remember that this show on the first is not only for Evansburg but for all surrounding communities.

The Bruner boys and their one sister are proud to announce to one and all that they now have a second girl in the family. Holly Marie came to join the family last week.

Students in both High and Elementary Schools have been introduced to the Centennial Athletic Awards Programme and a good number are showing a keen interest.

We wish a speedy recovery to Mr. Ricierze who is a patient in hospital.

FOR SALE BY TENDERS

ESTATE OF MIKOLAJ RUDSKI

The Public Trustee offers for sale by tender the following farm land situated in Round Valley, Alberta:

The North West quarter of Section Thirty Two (32) Township Fifty (50) Range Seven (7) West of the 5th Meridian, containing 160 acres more or less; reserving unto Her Majesty all mines and minerals and the right to work the same. The land is situated ten miles north of Drayton Valley and one-half miles west. There is 40 to 45 acres of land under cultivation and the remainder is bush.

Tenders should be forwarded in a sealed envelope and marked "Tender re Mikolaj Rudski estate" and a certified cheque for ten percent of the offer should accompany the same.

Offers will be received by the undersigned up to 2 o'clock in the afternoon of February 8, 1967 for the purchase of the above property.

The highest or any tender not necessarily accepted.

Deposits will be returned to unsuccessful tenderers.

Public Trustee,
200 Chancery Hall,
3 Sir Winston
Churchill Square,
Edmonton, Alberta.

E.M.O. Meeting

The Alberta Emergency Measures Organization will hold a Municipal Conference in Red Deer, Feb. 9 and 10.

Mayors and other elected representatives, along with EMO Co-ordinators from Alberta municipalities will have an opportunity to meet and exchange their views on past and future planning.

The conference agenda will feature short presentations by the many agencies involved in emergency planning, followed by discussions by the delegates. The program will be enlivened by a demonstration of the planning and operations of a Unit Emergency Government Headquarters in a peacetime disaster.

Co-Captains Bob Huff (centre) and John Boorman of the Rimbey team are shown above accepting the Lions International Trophy from Paul Bradley. The trophy represents first place in the high school basketball tournament held last weekend.

Rimbey Wins Weekend Basketball Tournament

The Rimbey High School basketball team came through with flying colors to win top honors and the Lions International Challenge Trophy in the third annual Frank Maddock High School tournament held here over the weekend.

Ten teams took part in the tournament that saw Rimbey and Seba Beach matched in the final Saturday evening. Seba, after a 30-15 victory over Evansburg to enter the final, bowed out 49-18 to the strong Rimbey team.

Drayton Valley, by virtue of a 35-19 win over Evansburg, won the consolation final.

Ten teams took part in the tournament that started Friday evening and ended Saturday night were St. Anthony's, Winfield, Breton, Drayton Valley, Rimbey, Niton, Seba Beach, Warburg, Evansburg and Thorsby.

Eleven trophies were presented, among them first and second for cheer-leading, won by the Warburg girls followed by Drayton Valley.

Five top scorers in the tournament were Edgar Grab, Rimbey, 55; Pat Hurley, Drayton Valley, 54; Henry Nychkalo, Seba Beach, 35; Randy Rilling, Seba Beach, 30; and Don Bouschard, Drayton Valley, 29.

Letters to the Editor

Dear Sir:

I would like to give a big bouquet to the girls who teach figure skating and to the men who coach little league hockey. These people give hours of their time each week to teach our sons and daughters. It's too bad the parents and town folk haven't the time to go and see how these young people are doing.

A hockey team went out of town to play. The coach phoned several fathers to take their car. These men had to curl or do something else. This isn't the first time this has happened, nor will it be the last. Some of these parents always have some excuse not to take their son or daughter to an activity out of town but make time for their own recreation.

Thanks to the Pembina Pipe men who give up their Saturday and/or Sunday to take the Juvenile team to games out of town. Thanks to Drayton business men, organizations and oil companies who have donated uniforms for these boys, yet the parents and town folk cannot take time to come to our covered arena to watch these boys play.

We've cried and hollered for several years for a covered arena. Now we have one and only a handful of people show up to watch our little league games. There is always a good crowd at the Rebel games. Please, parents and townfolk, can't we have half that crowd at our little league games?

A Drayton Valley Mother.

Rotarians Fete Sherrold Moore

Members of the Drayton Valley Rotary Club gathered recently to bid farewell to Sherrold Moore who has been transferred by Pan American Petroleum to Calgary.

Vic Timmins and Howard Pickup spoke briefly during presentation of a going-away gift from club members. They expressed regret at losing Mr. Moore from the community where he has made great contributions to the work of a number of clubs and organizations.

The grounds of Expo 67 will include parkland stocked with Canadian wildlife where visitors can relax. One area will be dotted with woods, meadows ablaze with wild flowers, terraced hills and small islands.

LUTHERAN LADIES DISCUSS CENTENNIAL PROJECTS

The monthly meeting of the Ladies Aid of the Lutheran Church was held on January 19th with 11 ladies and Rev. Drawbaugh present. Lesson 18 on the series of "What does the Bible say?" led by Rev. Drawbaugh was completed.

Hospital visitors for February are Doreen Liske, Eleanor Metzger, and Anne-Marie Nickel.

The church cleaners will be Mary Schuman and Gladys Von Tettenborn for the month of February.

Rachel Anderson received a letter from the adopt-a-patient thanking the ladies for the baked items sent to her at Christmas.

Every month a new book is added to our lending library, the book "Little People" was selected this month.

A donation of $25 has been sent to World Relief. All ladies who sew in the group are making two piece every day play clothes for our "Aquan Project". These are to be completed by the April meeting then they are sent to South Viet Nam to the needy children there. All ladies who do not sew may give a donation toward World Relief if they so wish.

We received a lovely big cook book of meat dishes only, after favourable comments it was decided to order 24 books. They make ideal gifts.

Centennial projects are now in the monthly discussions. It was decided to purchase Altar Paraments now as our first project.

Any ladies wishing to get rid of old Christmas cards, give them to Naomi Schneider who is collecting them and then we will send them where they are useful and needed.

The ladies are invited to attend the meeting in the Separate School on February 6th at 8:00 p.m.

A lovely lunch was served by Pearl Getzinger and Crystal Dusterhoft.

Missionary League Members Busy With Varied Projects

The Lutheran Women's Missionary League wishes to invite all our ladies to their new Cottage Meetings held in the afternoon once a week. These will be conducted by the ladies. The first meeting will be this Friday, February 3rd at 1:30 p.m. at Doreen Liske's home.

Some of the things the missionary league does is gather new or used baby clothes for layettes to send away, if you have any of these items please leave them in the church basement. We also take old white sheets which are ripped in widths suitable for bandages and sent to hospitals in India.

Extra change is dropped into our mite boxes and these have helped to build and buy many things in the mission stations.

We remind the ladies that the L.W.M.L. meetings are on the 4th Thursday of every third month. The next meeting will be held in April.

LODGEPOLE

Mrs. Charlotte E. Kay
Correspondent

Lodgepole Community Hall was the scene, when friends gathered to extend good wishes to Mr. and Mrs. Jay Sumner who are recent newly weds.

The evening was spent in dancing. The couple received many beautiful gifts from their friends in Lodgepole and out-of-town.

A gift was presented on behalf of the Lodgepole Lions and also one from the community.

We take this opportunity to extend congratulations and best wishes for many years to come.

Mr. and Mrs. L. Kay attended a centennial meeting in Drayton Valley recently. Plans are well underway for this most important event in our history.

Mr. E. Marskell of Easyford was a guest at the home of Mr. and Mrs. J.C. MacMillan.

A United Church Service will be held in the school on Sunday at 3:00 p.m.

Ladies from Lodgepole and Drayton Valley attended the annual ladies open bonspiel in Entwistle. Phyl Kupsch, Hazel Bolianatz, Ethel Streit and Marg Balen won second prize in the first event.

Ladies Open Bonspiel will be held in Lodgepole February 18th and 19th. All entries welcome. Phone Hazel Bolianatz at 894-3549 if you would like more information.

Recreation Round-Up

By
Mike Gormley

The annual High School Basketball Tournament was held at the Frank Maddock High School last Friday and Saturday. The tourney featured some thrilling basketball especially in the final three games on Saturday evening. Ten teams took part in the tournament with the Rimbey team taking top honors by overwhelming Seba Beach in the final game. The Drayton Valley team finished in third place, beating out Evansburg for this honor.

The five stars of the tournament were Edgar Grab and Dale MacIver of Rimbey, Henry Hvchkalo of Seba Beach Pat Hurley of Drayton Valley and Allan Buckner of Evansburg. Pat Hurley finished second in the tournament scoring race with 54 points, one less than Rimbey's Edgar Grab. Another Drayton Valley player, Don Bouschard finished fifth with a total of 29 points.

In the cheerleading department, the Warburg group took first place while the Drayton Valley girls edged out Evansburg for second place honors.

This was one of the finest basketball tournaments that we have seen here, rivaling the memorable tourneys held in 1965 and last year. The local Warriors played very well throughout the tournament as was evident by their strong third place finish. Besides Hurley, Doug Ibbotson, Larry Metelski and Don Bouschard were outstanding in the Warrior cause. A tip of the ten gallon sombrero to Paul Bradley, Tom Hutton, Doug Hall and the entire Frank Maddock High School on a great weekend of basketball and on a very well planned and well executed tournament program.

MINOR HOCKEY NIGHT

Friday, February 10th is Minor Hockey Night in Drayton Valley. The Drayton Valley Athletic Association is sponsoring this event and all plans in relation to the program will be finalized this weekend. The program will feature a period of play at every level of Minor Hockey in Drayton Valley. The four Mite teams will face off in the opener, followed by the regular PeeWee teams. Next our PeeWee All-Star squad, the Drayton Valley Hotel Oilers will play the town's Bantam team, the Drayton Valley Tigers, sponsored by L.B. Motors. In the final of the evening the Pembina Pipeliners of the Juvenile category will face the Elks of the Midget division who are sponsored by the Elks Lodge of rayton Valley.

A display in the fine art of figure skating will also be included in the evening's program. Some members of the Drayton Valley Figure Skating Club will furnish the entertainment in this regard.

Tickets are presently on sale for Minor Hockey Night and can be purchased from any boy presently taking part in the Drayton Valley Minor Hockey Program. All parents who have boys taking part in this activity should make every effort to attend this athletic event. The date is Friday, February 10th. We would like to see a packed house that evening.

COACHES NEEDED

We are still in need of more hockey coaches for our Minor program. Anyone interested in this activity and who has the time to spare, contact the Recreation Office. We certainly would be very happy to have you aboard our band wagon.

REBELS RIDING HIGH

The Drayton Valley Rebels, our Intermediate team, are riding the crest of a winning streak. The Rebels have gone five games since their last defeat and they hold down a strong second place in the North West Intermediate Hoc Hockey League. The Rebels have their work cut out for them this weekend when they play a doubleheader on Saturday and Sunday against the Calgary Orphans. The Orphans are a strong, well balanced hockey team and we can look forward to a couple of hectic hockey games at the Civic Centre. Saturday's game gets under way at 8:30 p.m. and the opening whistle will sound at 2:00 p.m. for the Sunday fixture.

Wider Use of Alberta Crest

Wider use of the Alberta Crest during Centennial Year without prior permission from the Alberta Department of the Provincial Secretary is now possible following an Order in Council passed by the provincial government. Reproduction of the crest is nevertheless restricted to those occasions when it will appear in conjunction with those of the other Canadian provinces and that of Canada itself.

The Alberta Crest, or armorial bearings, should be regarded as the "trade mark" of the provincial government and it is accorded the same carefully controlled use. Its appearance in its various media denotes government authorship, authority and responsibility and therefore cannot be used outside these terms of reference without previous permission from the government.

The current amendment to the regulations requires that the crest be reproduced in proper proportions and true colours, comply with the standards of good taste and appear only as specified above. This amendment will expire on the 30th of June, 1968, when use of the crest will once more be limited to government agencies.

Cadets Hold Banquet

Members of Air Cadet Squadron 733 enjoyed a successful father and son banquet held in the Legion Hall on Friday, January 27th.

The banquet, an annual event, featured an excellent film that was enjoyed by the boys. The supper was catered by the Ladies Auxiliary of the Legion.

Next event scheduled by the cadets will be a platter party later this month. The platter party will be a family event.

Greater London, including the 28 metropolita boroughs, comprises 443,455 acres. The original old city consists of 675 acres.

PUBLIC NOTICE

NOTICE IS HEREBY GIVEN THAT UNDER AUTHORITY OF SECTIONS 396, 397, 398, 400 and 403 of the Town and Village Act of Alberta and amendments thereto, the Council of the Town of Drayton Valley intends to proceed with the construction of the project as shown on the schedule below:

Meet The Rebels

DOUG HALL
Playing Coach

Doug played minor hockey in Saskatchewan. He played for the University of Alberta Calgary team and last year with the High River Flyers. He is a Phys. Ed. instructor at Frank Maddock High School.

KEN McMORRIS
Utility Forward

Ken came up through the minor hockey system in Drayton Valley and is now playing his third season with the Rebels. He is employed by Pembina Pipeline Ltd. of Drayton Valley.

Drayton Oil Wives Hold Successful Winter Dance

The Drayton Valley Oil Wives their husbands and guests enjoyed an evening of dancing in a dimly lit Hawaiian atmosphere on Friday, January 17th.

The Elks Hall was beautifully decorated with a grass shack, palm trees, star fish and sea horses. Beautifully colored flowers bordered the walls.

Our girls came dressed in Hawiian style, some short and some long gowns. Colored leis were presented at the door by four lovely Hawaiian hostesses, who were May O'Rourke, Jean Ward, Dot Booker and Helen Paley. Thank you girls.

Music was provided by Lorenz's Orchestra. These boys also dressed and played to our Hawaiian theme. While dancing, cocoanuts and pineapples were given out as prizes.

At midnight a delicious Chinese supper was served. Everyone reports a wonderful time.

Convenors for the dance were Jean Ward and Dot Booker who were cabably assisted by May O'Rourke, Fay Shearer, Diana Hegholz and Helen Paley. We must also thank John Paley and Jack O'Rourke for their kind assistance.

Sorrowfully, the little boy looked up and down the street, then said to the policeman on the corner, "Sir, did you see a lady go by without me?"

LAFF OF THE WEEK

"You certainly don't act like 'the friendly tavern keeper' they're always talking about on radio and television."

CANADA'S CENTURY

A news background special on the Centennial of Confederation

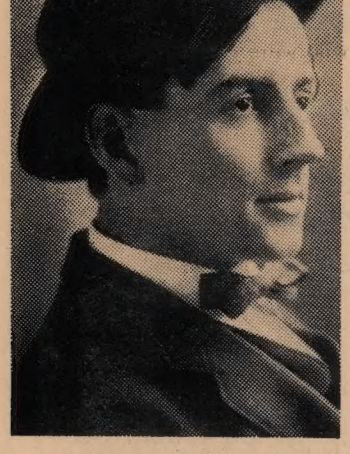
When Culture Came To The Rugged Land

(Fifteenth Of A Series)
By WALT McDAYTER

It is often bemoaned by Canadians that this country is a cultural wasteland, a nation born without an artistic soul.

This despite the fact that in every field of the performing and creative arts, Canada since Confederation has produced talents that have won acclaim the world over.

Countless canvases by Canadian artists hang in places of honor in such famed houses as the Louvre, London's Tate Gallery, and even Moscow's Museum of Modern Art. There have been many styles of expression, from the serene pastoral scenes of Horatio Walker, the experiments in colorism of James Wilson Morrice, the bright and bold techniques of the distinctively-Canadian Group of Seven and their stylized northern Ontario landscapes, to the expressive portraitures of F. H. Varley.



Best known of all Canadian artists was Tom Thomson, whose Algonquin Park landscapes pioneered the later Group of Seven technique.

Charles G. D. Roberts has been called the "Father of Canadian Poetry." Roberts' best known work is "Orion and Other Poems," published in 1880, and it exerted tremendous influence on the verses of William W. Campbell, Archibald Lampman, and Bliss Carman. A contemporary poet with a growing following here and abroad is the dynamic Irving Layton.

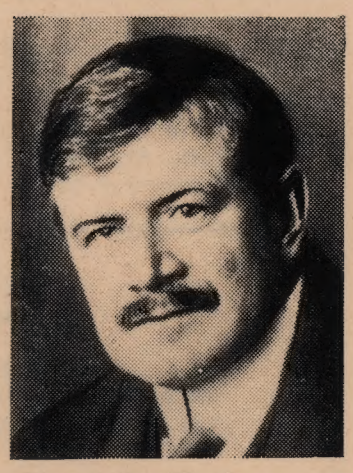
There are few nations where readers have not delighted in the gentle humor of Stephen Leacock. King of Canadian humor before Leacock was Nova Scotia's mid-18th-century satirist, Thomas Chandler Haliburton, creator of Sam Slick.

In opera, tenor Edward Johnson became the rage of Europe around World War I, singing at the greatest opera house of all, La Scala, and later at New York's Metropolitan Opera Company, becoming its manager, 1935. More recently, brilliant soprano Teresa Stratas has won thundering ovations at La Scala and New York, as well as the Bolshoi.

In popular music, bandleaders such as Percy Faith, Guy Lombardo and Howard Cable have few equals. In jazz, there is Maynard Ferguson, Moe Koffman, and Oscar Peterson.

In the most modern medium of culture, movie films, Canada has provided some of the most famous faces appearing on the silver screen: Mary Pickford, Norma Shearer, Walter Pidgeon, Lorne Greene, Glenn Ford, Yvonne de Carlo, and Boris Karloff, to name but a few.

Canada is gaining a respected reputation in the making of movies as well. Private film companies are now launching feature movies, and the National Film Board, founded in 1936, has won more than 50 international awards, including a Hollywood Oscar and a first prize from the British Film Academy.



King of Canadian humor was Stephen Leacock. Best-loved of all his works is "Sunshine Sketches Of A Little Town."

In the legitimate theatre, Canadian names have had top billing on many a marquee: Beatrice Lillie, hailed as the world's funniest woman; Christopher Plummer; Lloyd Bochner; and Kate Reid. And of course, a monument to Canadian theatre is the Stratford Shakespearean Festival, established in 1963.

We can boast of comedians John Wayne and Frank Shuster; pianist Glenn Gould; in ballet, David Adam and Lois Smith; and Yousuf Karsh, world's foremost portrait photogapher.

In every endeavor of the arts, Canadian stars have shone brilliantly. The tragedy is, however, too often these artists had to make their names on the international scene before they won the grudging applause of Canadian audiences.

A worthwhile Centennial project might be a concerted effort to teach Canadians to trust their own taste in art!

BOOMING FUTURE FOR PETROLEUM INDUSTRY

Petroleum consumption in Canada will increase 5 or 6 percent annually between now and 1980, about twice the rate of increase expected in the United States, Pan American Petroleum Corporation says in the current issue of its publication, Horizons.

Outlining the rapid growth of the petroleum industry since the famous Leduc discovery in Alberta in 1947, Pan Am predicts that production of crude oil and natural gas liquids in Canada will double by 1980, and natural gas production should increase to more than 2½ times the present rate.

With Canada's gross national product expected to rise at the booming pace of 5 percent annually between now and 1980, the Pan Am magazine points out that "petroleum which supplies nearly three-fourths of the energy Canadians use in home, industry, and transportation, is at the heart of Canada's exuberant growth."

The Pan Am article cautions that "the future for oil is not without its problems. The nature of this business is such that it involves tremendous risk and demands immense capital outlays." Paying tribute to the early-day frontiersmen of Canada, the Centennial Report points out that "Oilmen are moving into the once impenetrable frontier, often at breathtaking speed. In their wake come not only production, but roads and thriving communities. The impact is seen on the changing faces of such cities as Calgary and Edmonton." Although oil in Canada dates from an 1857 discovery in Southwestern Ontario, it was not until 90 years later that the modern industry was born at Leduc.

Since then, "oil companies have spent over $9 billion in Western Canada in the exploration, development and production of oil and gas. In 1965, their expenditure was nearly a billion dollars." This tremendous capital outlay, according to Pan Am, has enabled Canada to become virtually self sufficient in petroleum.

Alimony is a system by which, when two people make a mistake, one of them continues to pay for it.

D. V. Highlights

BY MRS. EDITH DEBY

Winners of last week's Legion Whist were: Ladies, Mrs. Wm. Norquay and Mrs. Wm. Robinson; Gentlemen, Mrs. Lester Miller and Mr. Fred Schipper. Whist parties are held every Thursday evening commencing at eight o'clock. Everyone is welcome.

Best wishes are extended to Mr. and Mrs. Gordon Brown for future happiness. Mrs. Brown is the former Carmen Vig.

Mr. William Robinson Sr., is a patient in the Drayton Valley Hospital.

Mrs. Clarence Dunington has returned from Edmonton where she spent six weeks in an Edmonton hospital.

Mrs. Kenneth Madsen and son, Mark, spent a week with Mrs. Madsen s parents, Mr. and Mrs. Harold Langman, at Malaval, Saskatchewan recently.

Mrs. Clarence Lakusta of Fox Creek, was the guest of Mr. and Mrs. Alfred Madsen last week.

Rocky Mountain House To Hold Air Race in May

More than 300 light aircraft from all parts of North America, will converge on Rocky Mountain House, Alberta, May 21st to 24th, for the Rocky Mountain House Centennial "Flyin" and Air Race.

This unique handicap race is sponsored by the Rocky Mountain House Flying Club and the Rocky Mountain House Centennial Committee. The town is located 50 miles west of Red Deer, or about 150 miles from both Edmonton and Calgary.

The race is open to all types of light aircraft, with each contestant to fly a minimum of three consecutive legs, with an overall minimum time of three hours, with the last leg ending at Rocky Mountain House. Upon entering the race, each pilot will estimate his own gas consumption and air speed, with the closest to his prediction winning the $1,000 first prize provided by Labatt's Alberta Brewery Limited. Second and third prizes are $600 and $400, respectively. The winner will also receive a distinctive painting by an Alberta artist commissioned by Labatt's.

Rebels Win One Tie One at Jasper

Drayton Valley Rebels defeated the Jasper Totems 7-0 in a fast, rough game at Jasper Saturday evening. The Rebels ran out of gas for the Sunday encounter and the Totems bounced back for a 3-3 tie.

Ken McMorris led the Rebel scorers Saturday with two goals while Kane, Hemmingway, Novocel, Hall and Pankewicz added singles. Sunday goals were registered by Hall, Haack and Dea.

Next league action for the Rebels will be at Hinton against the league-leading Hawks, February 11 and 12.

The team will travel to Bentley for an exhibition game Thursday, February 2nd and will be at home to the Calgary Orphans, February 4 and 5.

Communities Launching Job Opportunity Surveys

MONTREAL--More than 100 Canadian communities have either begun or are considering launching job opportunity surveys as a result of an Economic Opportunity Program made available at the Annual Meeting of The Canadian Chamber of Commerce held last October in Edmonton.

Henry Valle, Executive Council Chairman of The Canadian Chamber of Commerce, said the program now involves communities large and small in practically every province. They range right across the country from St. John's Nfld. to Nanaimo, B.C., and north to Inuvik, N.W.T. Some 200 Boards of Trade and Chambers of Commerce are expected to participate in 1967.

The Economic Opportunity Program (a) provides a formula for Boards of Trade and Chambers of Commerce to find out in their own communities, job opportunities, educational needs and community service requirements, present and future, and (b) calls for specific action programs based on this data to spur growth and to meet the resulting challenge.

Bores can be divided into two classes; those who have their own particular subject, and those who do not need a subject.

Presentation to Curlers

The Drayton Valley high school rink that won the Zone 16 curling finals are shown above receiving curling sweaters prior to leaving for the Edmonton series. From left to right are Gary McMorris, Allan Mattoon, Dave Disney and Paul Joyce with Mayor Howard Pickup making the presentation.

BIG YEAR AHEAD FOR LIONS CLUB MEMBERS

At a regular meeting on Tuesday, January 17th the Drayton Valley Lions Club made plans for what may well be one of the busiest years in the history of the club.

Enthusiasm was high and dis-discussions were lively as the entire work program for the remainder of this Lionistic year was unfolded before the club.

Plans for several major projects were finalized, approved and committee heads appointed.

One of the larger projects undertaken by the Lions is the distribution of a Drayton Valley Centennial coin, which is being minted in nickel and will be in the form of a trading coin. It will depict the history of this community, from the early fur traders to the towns present status as a booming industrial and agricultural centre, and will also commemorate the Voyageur Canoe Pageant.

The Lions Club is also planning a $2000 cash bingo to be held in the Centennial Civic Centre in early May.

The Lions have undertaken the responsibility of the Centennial decorations for the town.

Another Centennial project undertaken by the Club is to collect Centennial souvenir tokens. The Lions will write to more than 800 Lions clubs across Canada asking them to send a Centennial souvenir of their respective community. These tokens it is hoped, will be set up in a display case in the Centennial Civic Centre.

In addition to these projects, the Lions plan to hold their annual kiddies carnival in June.

The Lions will continue the development of the West Valley Recreation Park with the possibility of a grand opening some time this summer.

Lionism, with its motto, "We Serve", is not all work, some time is also set aside for fun and fellowship. On February 3rd, the Lions will hold their 10th annual Charter Night and on February 18th a bonspiel will be held.

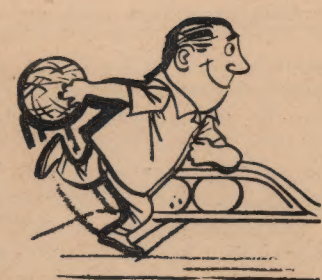
Youth Week at Church of God

To commence Youth Week at the Church of God in Drayton Valley, a guest speaker, Dr. David Lewis, was featured at the morning service.

Next Sunday, February 5th at 11:00 a.m. and 7:30 p.m. Lawrence Friesen, a student from Alberta Bible Institute of Camrose, will conduct the services.

The youth of Drayton Valley are cordially invited to attend. Youth Week will continue until Sunday, February 5th.

One out of every seven families in this country changes its residence each year.



BOWLING NEWS

BANTAM BOWLING

Girls High Average is held this week by Susan Hagman with 120 followed by Brenda Streit with 89, Elaine Steirer with 75, Brenda Harris with 74 and Wendy Medwed with 73.

Boys High Average this week is held by Craig Featherstone with 137, Grant Gabrielson with 131, Hal Smith with 123, Keith Nelson with 122 and Donald Omit with 118.

Elaine Steirer holds the girls high single and double with 129 and 225.

Boys high single is held by Mike Andrews with 134 and Craig Featherstone captured the double with 242.

Craig's team holds the high single with 526 and also the double with 934.

Curling News

Bonspiel Chairman Stan Metelski has most of the plans set for the upcoming Drayton Valley Men's Open Bonspiel. Sixty-four rinks will play through six events for some $2000 in prizes. Play will begin on the 23rd of February with the final draw on the 26th of February. Entries are starting to pour in from all the former entrants as well as many new rinks who have not played in the bonspiel. Former winners Lionel Wood, and Jack McCoy have already filed their respective entries.

The entry fee for the bonspiel is $24 per rink and the entry fee must accompany the entry. Entries can be sent into the Drayton Valley Curling Club or phoned into Dr. H. Shimbashi. A list of entries will be posted at the Curling Club.

This weekend the Zone 16 Seniors and Mixed will be played off at the Club with representatives from points between Jasper and Spruce Grove playing off. Former Brier winner, Bill Rose will be defending his Zone 16 title which he has won the past three years.

The first round of the mixed league finished up with Milt McMahon winning the first square and Don Howarth winning the second square. Curling with the McMahons are the Griffiths and curling with the Howarths are the Schultzs.

The Mixed League are still looking for a couple of rinks to fill a vacancy. If you are interested please get in contact with Bill Sware at 542-4021.

This will be the final week in Men's League action, the top four rinks will again go into a straight knockout for the section trophies.

Drayton Valley was well represented in bonspiels throughout the country this week as two rinks skipped by Adrian Meier and Wally Peters took part in the Tomahawk 'spiel. Competition was keen as both rinks dropped out in the fours. At Breton Ralph Hook and Company represented the Club in their annual bonspiel. Three rinks from the Ladies Club represented Drayton Valley at the Entwistle annual Ladies Open.

Next weekend the Evansburg Open and Lodgepole 16 'spiels will be running. Entries from Drayton Valley will be present at both.

Five rinks from the Drayton Valley Elks club were represented at the annual District Elks 'Spiel at Hinton over the past weekend. Both favorable and unfavorable reports were received.

Club News

BEEF CLUB MEETS AT TOMAHAWK

The third regular meeting of the Tomahawk 4-H Beef Club was held on Tuesday, January 10th at the home of John Scheiderman. All but two of the members were present.

Discussions concerned whether the club should go to the centennial candle lighting ceremony in Edmonton. The Edmonton 4-H regional council will supply shrubs to members who wish to plant them as a centennial project.

Reports were given by David Lubiniuk on record keeping and Harold Wickware on management of the club calf. Ralph Goertz was appointed as the representative to the 4-H regional council from the Tomahawk Beef Club.

Younger members with varied problems were told they could ask questions of Terry Medd on record keeping; Lucas Piskunowicz on showmanship; Ralph Goertz on feeding the club calf and Bruce Goertz on picking the club calf.

After adjournment lunch was served by Mrs. Scheideman and Mrs. Piskunowicz.
